

We combine data and daring to deliver breakthroughs for brands.

We're Flynn.

As a fully integrated 50-person agency, we're built to handle just about any challenge clients throw at us. We bring consultancy-level data science, strategy, and media together with powerful creative—plus a fresh approach to co-creating work. It all adds up to some dramatic results for our clients.

Our experience.

Proud to be in the R-O-C.

Located in Rochester, NY—named one of America's most innovative cities by MSN.com.

Member of the MAGNET Global Network.

Flynn is able to draw on the expertise of partner agencies on six continents to extend your brand worldwide.
